WHO WE ARE

A Private Chef and Hosting team catering for Private individuals, Families, Vacationing groups, Retreats and one off events.

We are Christian and Gerda who have been working with HNWI, families, friends and associates for several years providing our services aboard luxury yachts, villas and estates . Based on the magical island of Mallorca and with our extensive work on location around the globe, plus our previous lives in hospitality and travels we bring a wealth of knowledge and experience to the table so to speak !

Influences of cuisine from the Mediterranean, Asia and the Americas infuse in our approach to delivering healthy, hearty balanced, organic and locally produced where possible meals and memories.

We have a passion for food and service, curating unique experiences that can be shared around a table, and at the same time striving to incorporate a conscious and mindful approach to our offerings.
